

NIGERIA TRAINING NETWORK

Connecting Students, Trainers & Companies

NigeriaTrainingNetwork [NTN] and NigeriaTrainingCourses [NTC] are platforms that connects students, trainers and companies together. The platform comprises of private, work based, professional individuals, government, NGOs training providers in a single network. NTN and NTC are the best place to be for any training provider or organisation that are in the educational services.

NTN - NTC evolved from a number of localised partnerships and international clientele over the years.
